

Furniture (bench, waste bin, shelter...)

(technical specification)

J2880

1- **The table and seats** are made from a 13mm thick compact material (HPL). Robust in construction, it has excellent weather and vandal resistance properties.

2- **The 102mm (seats) and 125mm (table) diameter posts** are made of painted galvanised steel. The two-tone grey grained finish has a slightly undulating surface for increased scratch resistance.

3- **The table support** is made of galvanised steel.

4- **The fixings** are made of stainless or plated steel and protected by anti-vandalism polyamide caps.
